US Associates

Cynthia Edmondson

In the USA we have worked closely with Cynthia Edmondson of Synovations Inc.

Cynthia is a consultant in change management and organization development;

leadership training design and delivery; and conflict resolution and mediation. She has

a diverse range of experience in public and private sector organizations, including

telecommunications, pharmaceuticals and government agencies.

We have also worked closely with Rhonda Waters of Waters Learning and Development.

In addition to delivering management, communication and teamwork events in the USA,

Rhonda delivers Targeted Selection □ courses as an accredited tutor with Development

Dimensions International (DDI).
